State Lawsuits Authority

[Founding Communication and Media Center](#)

Dec 2018 - Aug 2021

- The Communication and Media Center in State Lawsuits was my idea, and was one of the founders. **The mission of this center** was to

Communicate via social networks, serve as a link between state lawsuits and media, and provide people with accurate, dependable, and timely legal information. We also wanted to educate the public about the State Law Authority's historical significance and role, as well as keep up with the lawsuits and disputes that arose in order to defend government interests and institutions within Egypt and ensure that people had accurate information about them.

- Analyzing and reporting on the website and social media performance; Created and proofread content and ran daily operations of website and social media accounts, including [Twitter](#), [Facebook](#), and [LinkedIn](#).
- Collaborate with graphic designers and other professionals to create visual assets and other content.
- Developed partnerships with media outlets and other institutional partners to increase center visibility.

At the time, manage and create a page for the [authority's head](#) to increase knowledge about him, including a biography, recent news or events, and contact information.

Structuring and developing the [website of Center](#)

Aug 2018 - Nov 2018

- Member of a team that designed and built a new website for the Center for Judicial Studies and Training, where a completely new website was created to showcase the Center's activities and courses.
